Anyone ever ask you what type of music you enjoy? I hate that question because I never know how to answer it. There are very few types of music that I don't enjoy, a lot. If you turned on my car right now you'd find reggae music on the radio, The Greatest Showman soundtrack on bluetooth and Johnny Cash in the CD player. I just love it all. Does that mean I have no taste? Maybe, I don't know.

I think about what worship in heaven will be like. I try to imagine thousands of different songs and types of music harmonizing together to do one thing, glorify our God. It will be beautiful. Worship, when expressed musically is going to sound different in different times and cultures. What binds it all together is a purpose to praise our Father.

Psalm 95:1-3

Oh come, let us sing to the LORD;
let us make a joyful noise to the rock of our salvation!
Let us come into his presence with thanksgiving;
let us make a joyful noise to him with songs of praise!
For the LORD is a great God,
and a great King above all gods.

What does your worship sound like right now? Is it a shout of joy, a song of gratefulness, or a whispered plea? Whatever noise you make in worship, whatever sound you can muster, bring it to God. Trust in Him. Give Him worship who makes all of our noise into a beautiful song.

Happy Father's Day! — June 17th

A few things from the Children's and Youth Ministries

A big thank you to everyone who donated money at our fundraiser dinner or purchased a worker at the auction. We are looking forward to a great retreat in Colorado as we think and talk about what it means to live a life of worship.

A big thank you to everyone who donated green beans to Camp Sooner. We reached our goal of 6,000 oz with time to spare. Our sister churches have been collecting other items. These donations will be a great help and blessing to the camp.

You may know that Parkview is providing one meal each for junior high and senior high camp this summer at Camp Sooner. Check your bulletin, the hutch in the foyer, or contact James & Rachel Tarbox or Cody & Rebecca Owens for information on how you can help. I think it would be great for as many Parkview-ers as possible to come out to camp one of those evenings and worship with the students, especially if you've never had the opportunity to experience an evening at camp. I am so proud of all the "extra" things Parkview does for Camp Sooner. Camp Sooner is actually an extension of only a handful of churches and wouldn't exist without their support, so thanks for all you do.

If you are praying for and providing a gift bag for one of our students going on the Colorado trip this summer, please have your gift bag at the building by June 30th. You can drop those off at Joseph's office.

Please be in prayer for a great Splash Canyon VBS this summer. If you have children, grandchildren, neighbors, nieces, nephews, etc. that need to register, please do that as soon as possible. Early registration helps the many people who are preparing for VBS a great deal. Joseph
