Winter has thawed and the spring is upon us. As a former and recovering youth minister my mind naturally turns toward summer events in the church. VBS, camps and conferences are right around the corner for our youth and children and that is an exciting thing. But for our youth and children here at Parkview I am especially excited because we are on the cusp of being able to put our new youth building to use.

I hope you have had the chance to walk through and see how far it has come. There is so much potential in that space it makes me smile from ear to ear every time I am over there. But at the same time if you have walked through you know that there is a lot of work left to be done. Bathrooms, air, flooring, fixtures, sidewalks... the list is long. Many of these projects we will be able to accomplish ourselves but the bottom line is that to cross the finish line we need to give.

I do not shy away from telling you church family that we need you to give. I do not hesitate to say this because I am fully convinced of the worthiness of this project we have set out to accomplish. I want to see us finish this project strong. Let us resolve not to drag ourselves exhausted across the finish line of this project but let's run through that tape with an excitement that will carry over into the ministry that will be accomplished in this new facility. It is a gift from God that we are able to so generously over the past year bring the building to this point. We have faith that God will continue in His generosity towards us as we state clearly with our giving that our future generations of disciples deserve our endurance and sacrifice.

Let's dig deep, Parkview. Our goal is worthy and our God is with us. Mother Theresa once said, "To keep a lamp burning we must keep putting oil in it." Let us not hesitate with every resource we have to continue to pass the torch to the next generation as those who went before did for us.

The finish line is in view. Let's finish strong.

Justin

I want to begin by thanking all of you for your support at the youth fundraiser lunch and worker auction. As many of you know we are going to CIY Move this year in Siloam Springs, AR instead of doing our Colorado discipleship retreat. While I am very excited about this, it does come with a little more of a financial burden. However, as always, you met and exceeded anything we could have hoped for and because of your generosity almost every student's registration cost has been completely covered. I know that much has been asked of you over the past year with the construction of the new youth building, and so we give you double thanks for taking care of us like you do. If you "won" a student at the auction, your student has been given your contact information and should be getting in touch with you to discuss when you would like him/her to come work for you.

As hard as it is to believe, VBS is right around the corner. Please be thinking about how you might be able to help pull off this event. Every year it takes a great deal of people to do this well. We will be having a very brief but important VBS meeting after Sunday morning service on April 14th. Please plan on attending if you would like to help with VBS in any way.

Finally, we're about 2 months away from Camp Sooner 2019. This year's theme is Thrive: Stand Up, Stand Out, Change Your World, and is based on Daniel 1-6. We're excited about another great year of camp. However, this year registration is a tad different. In the past, students were able to register up to the day we left for camp. **This year, if your student wants to receive a camp shirt, they must be registered by May 15th.** This does not mean you have to pay by the 15th, simply grab a registration form from the hutch in the foyer, fill it out and turn it in to Joseph by May 15th. You may register after the 15th but your student will not receive a shirt. Camp dates and costs are posted on the camp website, youth bulletin board, and Facebook.
