Wise words from fellow saints regarding the necessity, power, and purpose of the spiritual disciplines:

"We can all see God in exceptional things, but it requires the culture of spiritual discipline to see God in every detail." ~ Oswald Chambers

"A farmer is helpless to grow grain; all he can do is provide the right conditions for the growing of grain. He cultivates the ground, he plants the seed, he waters the plants, and then the natural forces of the earth take over and up comes the grain... This is the way it is with the Spiritual Disciplines - they are a way of sowing to the Spirit... By themselves the Spiritual Disciplines can do nothing; they can only get us to the place where something can be done." ~ Richard J. Foster

"It is precisely in times of spiritual dryness that we must hold on to our spiritual discipline so that we can grow into new intimacy with God." ~ Henri Nouwen

"We cannot give our hearts to God and keep our bodies for ourselves." ~ Elisabeth Elliot

"The power of God tenderizes and changes us, not spiritual disciplines. Spiritual disciplines only position us to receive." ~ Mike Bickle

Continue with us this Sunday as we look at another of these spiritual disciplines necessary to the disciple who desires the "life to the full" that Christ has called us to.

Camp Sooner News:

Camp Sooner is still raising money to replace the old swimming pool. In order to have the new pool installed by this summer they need to pay for and begin the next phase in February. At this time, approximately \$19,000 is still needed to accomplish this. If you have any interest in making a donation for the pool, let Joseph know and he'll let you know how that can be taken care of.

If you can't donate but would still like to help Camp Sooner there will be two other opportunities in the coming months. First, on **February 26th-27th there will be a work a day at the Camp.** They are still trying to recover from the ice storm this fall and other preparations for summer camp need to be taken care of. Youth groups are always good to help on work days but they really need adults for this. If you have a chainsaw you could bring that would also be helpful. If you have any questions let Joseph know.

Camp Sooner Golf Tournament April 12th

Second, Camp Sooner will be hosting a golf tournament on April on April 12th. Cost to play is \$75 per person or \$300 dollars per four-person team. If you'd like to help but aren't interested in playing you can help by being a corporate sponsor for \$500, a hole sponsor for \$150, or you can provide a baked item or any other nice prize that could be auctioned off at a silent auction.

**Vineyard News:**

Ever wonder what your student is learning in youth group? No need to wonder, I'll tell you. On Sundays we're doing a study called Christ and Culture. We're talking about Jesus's expectations for us as we try to be the light in the world, but avoid becoming controlled by the world. On Wednesday nights we've started a series called "The Call." We're looking at the life of Joseph to see how we can be the ambassadors of God's kingdom that he has called us to be here on earth.

Also, we will be having a **Superbowl Party** on February 7th, from 5:15 to the end of the game. If your student has no interest in football that's o.k. because we'll be doing some other things during the game as well. If your student can't make it for the beginning or can't stay for the end, no problem, just have them come will they can.

Joseph
