June 20, 2024 Issue Page One

As I write this, we've got 2 days left in our summer camp season and it has been a good one. Amy Storms from Ozark Christian College spoke at High School Camp and Brent Avery is speaking at Junior High Camp. Both have blessed and challenged our students with God's word. We've seen baptisms at every camp except the young children's. God always shows up and moves at Camp Sooner.

This has been true for PCC students as well. Micheal Spray has felt the calling to youth ministry and had that confirmed this year at camp. He was awarded a \$2,000 scholarship to Ozark Christian College from Amy Storms and Ozark's representatives at camp because they saw ministry potential in him. Please be praying for Micheal as he will undoubtedly face obstacles in this calling to ministry. Beyond prayer, encourage him with your words. In addition to Micheal, we have another student who is drawn towards baptism and I am sure we'll see that soon.

Our next big summer event is Vacation Bible School. We've had many people volunteer to help with that but we have more opportunities to serve. There is a specific need for people to lead groups of students from station to station. This isn't a teaching position. If you are interested in helping with this need or in any other way please let me know. Be in prayer for VBS that students will come and respond to the gospel in one way or another. Also, Thursday, July 11th we will have an outdoor party with the VBS students. This will be a great opportunity for anyone at PCC to visit with parents and perhaps reach unchurched people.

Finally, I want to thank everyone who prayed for our students at camp, supported them financially, and all who will be serving at Vacation Bible School.

Joseph
